SOUTHWEST MINNESOTA STATE  
UNIVERSITY and  
RED LAKE NATION COLLEGE

This Memorandum of Understanding ("MOU") is made this 1st day of April, 2020 by and between Southwest Minnesota State University (SMSU), Marshall, Minnesota, and Red Lake Nation College ("RLNC"), Red Lake, Minnesota. This MOU represents the understanding of the undersigned parties ("the Parties") with respect to academic, and workforce training collaboration.

**I. Purpose**

WHEREAS, Southwest Minnesota State University and Red Lake Nation College are collaborative partners for higher education and workforce development, sharing a history of cooperation that both Parties wish to build on; and,

WHEREAS, the Parties are committed to promoting economic development, through education and workforce development, in order to meet industry demand and keep the best and brightest of our students in Minnesota,

Now, therefore, the Parties agree as follows:

Southwest Minnesota State University and Red Lake Nation College, in recognition of their continued collaboration, agree to establish a program that allows RLNC students dual admission to SMSU while enrolled at RLNC.

**II. Scope of Agreement**

The Parties wish to explore the development of areas of cooperation including but not limited to programs of study, transfer programs, and related services offered by either institution and deemed mutually desirable and feasible by the Parties. This MOU outlines the intentions of the parties with specific program arrangements outlined in separate attachments. Programs including Articulation Agreements, Dual Education Programs, and Joint Educational Programs are subject to review by SMSU's and RLNC's HLC Liaison for compliance with accreditation standards.

**III. SMSU-RLNC Dual Admissions Program**

SMSU and RLNC will provide eligible students an opportunity to be dually admitted in both institutions under the dual admissions program. The dual admissions program allows RLNC students who meet the defined prerequisites to be admitted at SMSU after completing 24 or more transferable credits at RLNC. RLNC students transfer to SMSU as a junior after completing their AA degree. In the transition period, typically the second year at RLNC, students enrolled in the dual admissions program are provided limited access to student activities with other SMSU students attending SMSU classes. The parties have outlined the specific components of the program, including detailed roles and responsibilities, in Attachment A.

**IV. Proprietary Information**

During the course of their collaboration, the Parties, to the extent of their rights, may exchange proprietary and confidential information if they mutually desire to do so. The rights and obligations of the Parties with respect to the exchange of proprietary and confidential information would be defined pursuant to a separate Non-Disclosure Agreement (NDA) signed by the Parties.

**V. Intellectual Property**

If either Party finds that an activity undertaken pursuant to this agreement may result in the creation of intellectual property or may require the sharing of proprietary information, the Parties agree to negotiate separate agreements to address those matters as covered by Minnesota State policy. Neither Party shall construe any part of this MOU as an endorsement of the products or services of the other.

**VI. Term and Termination**

Either Party may terminate this MOU by providing sixty (60) days written notice to the other Party. Where specific initiatives have been contracted, the contract will supersede this MOU for the purposes of the specific initiative. This MOU will be reviewed every three years.

**VII. Rights and Duties**

Development of specific programs or other agreements will be contingent on mutual consent, availability of funds, and approval of each institution. This Memorandum of Understanding is not a contractual obligation between the two Parties, and in no way shall conflict with, modify, or negate clauses of any contracts which have been or are to be negotiated between the Parties. Each Party will bear all costs, risks, and liabilities incurred by it arising out of its obligations and efforts under this MOU.

This MOU does not create any right or benefit, enforceable by law or equity, against a Party, its officers or employees, or any other person or entity. This MOU is entered into on a non-preferential basis, and either Party may undertake similar MOUs with other entities on a non-preferential basis. Either Party may withdraw from this MOU upon timely notification to the other Party.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Minnesota State Colleges and Universities (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact Minnesota State Colleges and Universities:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

### **To request paper copies from Minnesota State Colleges and Universities**

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to michael.noble-olson@minnstate.edu and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

### **Required hardware and software**

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.
