Letter from the President of Red Lake Nation College

Boozhoo! (Hello)

Miigwech (Thank you) for considering joining our Red Lake Nation College (RLNC) family.

Like many of our students, I was the first member in my family to ever attend college. As first-generation college students, additional challenges, such as lack of higher education experience and lack of family role models who have attended college, must be faced. Therefore, many of our students lack the strong support systems that many traditional college students take for granted. Our college staff and faculty step in and help by serving in that role as the crucial support system for our students.

We go “above-and-beyond” in addressing these challenges by providing personalized attention to every student. If you decide to attend RLNC, you are treated like family, not a student number. We begin by assisting each student through the admissions process, then help them through the entire financial aid process as well.

RLNC’s individualized support continues as all students have access to FREE tutoring in Math, English, Science, or any RLNC class. The College also provides Success Mentors -- staff, faculty, and board members who meet with students for lunch discussions to talk about challenges, provide encouragement, and advise students on strategies to reach their educational and employment goals. We also provide each student with a “Tech Backpack” that consists of a backpack and a laptop with an internal hotspot so students have FREE mobile Internet for their entire time at RLNC.

The mission of Red Lake Nation College is to provide excellent higher education that is grounded in Ojibwe language and culture. We are striving to encourage a stronger sense of Native self-identity and self-confidence while teaching academic skills and practical life and career skills that prepare students for success in the 21st century.

Ultimately, we want to see our students move on to attain Bachelor’s Degrees, Master’s Degrees, Doctoral Degrees, or Professional Degrees and then return to our Native communities as qualified teachers, business managers, government leaders, doctors, nurses, lawyers or other professionals to lead our Tribal Nations to even greater prosperity.

To achieve this vision on a grander scale, our RLNC leadership and the Red Lake Tribal government invested in our new, \$11.4M, Red Lake Main Campus that opened in August 2015, and a new \$16.2M Minneapolis Site operating as a distance education hub for students that opened in June 2024. Our facilities provide a high-tech, 21st century learning environment open to all students.

We are building an exciting future and we invite you to join Our Family -- as a Red Lake Nation College student, team member or donor. Miigwech again for your consideration!

Most Sincerely,

Dan King

Admissions

Red Lake Nation College welcomes all applications for admission. Applications can be completed through the RLNC website at www.rlnc.edu. Prospective students can also request an application via email, mail, fax or phone, or by contacting the Admissions Office. Red Lake Nation College currently offers an Associate in Arts in Liberal Education Degree and an Associate in Applied Science in Social and Behavioral Sciences Degree.

Regular New Student Eligibility

Red Lake Nation College has an open admissions policy. Any applicant who has earned a high school diploma or GED prior to admission may be admitted as a regular student. The application for a "Regular-New Student" includes the following:

- Admissions Application
- Writing, math, and computer placement assessments
- High School Diploma/GED or College Transcript
- Vaccination/Immunization Form, if applicable
- Tribal Enrollment/Verification Form, if applicable (Tribal enrollment card or certification letter acceptable)

Transferring Student Eligibility

Applicants who have attended another college prior to admission are defined as transfer students. An official transcript, which must be mailed directly from the previously attended institution to RLNC or delivered by the student in its original, sealed envelope, is required for evaluation and transfer of credits to RLNC. Transferring students must include official college transcripts with their admissions application for registration purposes.

College credits are evaluated based on the applicability to the degree major. Students who do not agree with the College's decision regarding the credit transfer may submit an appeal to the Registrar. Students requesting an appeal must provide reasonable material, such as a course description or syllabus from their previous institution, to support their case. Contact the Registrar to begin the appeal process.

Courses completed at another institution with letter grades of "D" or better will be accepted for transfer.

Additionally, these courses must have been earned within the past ten (10) years. Courses earned before the past ten (10) years may be transferred pending academic department approval. Developmental/remedial courses will not transfer. No more than 34 credits may be transferred from other institutions in order to meet the degree requirements of RLNC. The Registrar at RLNC evaluates all transfer courses.

Exception: Red Lake Nation College will accept unlimited credits from students transferring from Leech Lake Tribal College between May, 2017 and August, 2020. This will ensure no undue burden on students as a result of the termination of the contractual agreement between Red Lake Nation College and Leech Lake Tribal College, effective July 1, 2017.

Auditing Student Eligibility

Auditing students are those who wish to participate in a course without earning college credit. Students will not be required to take exams and will receive an "AU" grade at the close of the semester. There are no fees or tuition charges for audited classes but students must obtain prior approval from the Dean of Academic Affairs. Students are responsible for purchasing their own textbooks.

Readmitted Student Eligibility

Students who have not attended Red Lake Nation College for more than two semesters, must reapply and check academic status with the Registrar. Readmitted students are encouraged to complete an admissions application, to update contact information, and to visit with an academic advisor. Credits that are more than ten (10) years old are no longer applicable toward degree requirements. Readmitted students are only permitted to go back one college catalog, which may not be the catalog they started with upon their original admission.

High School Student Eligibility

Red Lake Nation College offers high school juniors and seniors access to college level courses through the Postsecondary Enrollment Option (PSEO) program. Students who rank in the upper 25% of their graduating class are eligible to enroll in 1000 level courses to meet their high school graduation requirement, starting with FYEX 1100 First Year Experience. All new PSEO students are required to take this as their first class at RLNC. They can take this class concurrently with any other 1000-level class for which they qualify according to the Accuplacer Placement Test. The PSEO program covers the cost of tuition, fees, and books. PSEO students cannot take developmental courses (numbered below 100).

In order to be admitted as a PSEO student, students must determine eligibility for admission by consulting the

high school counselor. If the student is eligible, the application includes the following:

- Admissions Application
- Official High School Transcript
- Minnesota Department of Education [MDE] PSEO Notice of Student Registration Form
- Vaccination/Immunization Form, if applicable
- Tribal Enrollment/Verification Form, if applicable (Tribal enrollment card or certification letter acceptable)

The student will then complete the RLNC Placement Test to determine which classes he/she may take.

It is best to visit with the high school counselor to find out exactly how many credits are needed at the College to meet high school requirements for graduation. PSEO students are generally allowed to take only six (6) semester credits per semester at Red Lake Nation College. The Dean of Academic Affairs, the high school counselor, and/or principal must approve any requests for a heavier credit-load. PSEO students are not permitted to play on RLNC sports teams.

Once admitted, students should maintain a 2.0 or above grade point average each term to remain eligible for the program. Students who do not maintain a 2.0, will be reviewed on a case-by-case basis. Provided the classes are successfully passed, credits will be awarded at Red Lake Nation College. A college transcript will be established just as it is for every RLNC student. This is a permanent record, and credits can be transferred to another college at the discretion of the transferring institution. If a class, which is required for high school graduation, is not passed, the student might not be able to graduate with his or her high school class.

All Red Lake Nation College PSEO students are assigned an advisor (the instructor of the course) who acts as a liaison between the school, the student, high school officials, and parents, when necessary. This person is the official point of contact for PSEO students whenever they have questions or concerns about their classes or administrative issues at the college.

A PSEO student may officially withdraw from a college course(s) within the first ten (10) weeks of classes. The Last Day to Officially Withdraw is listed for each semester in the Academic Calendar, found in the RLNC Catalog, in the student handbook, and on the RLNC website. All withdrawals must be officially made through the Registrar, and PSEO students must also contact their high school counselor to inform them of their decision to not continue. After the withdrawal date has passed, the student is expected to finish the semester or meet with a college advisor regarding his/her continued enrollment, as withdrawing from a class may affect meeting high school graduation requirements.

PSEO students are not eligible for on-campus work study or regular payroll positions.

Non Degree-Seeking Students

Anyone interested in taking a class at Red Lake Nation College in a non degree-seeking capacity, may do so. The student will be responsible for payment of tuition, books, other course materials and fees for that class. Non degree-seeking students must still complete an admissions application and if at any time, they decide to become a degree-seeking student, they must submit all other required paperwork.

- “Post attendance” records that only contain information about an individual after he or she is no longer a student at that institution.

The student has the right to challenge and require the school to amend any portion of the education records concerning the student that is inaccurate, misleading or otherwise in violation of the student’s privacy rights.

Certain categories of student information are considered “open” or Directory Information. Directory Information may be published in a student directory or event program and released to the media and to the public for enrolled students. Red Lake Nation College is committed to maintaining a safe and comfortable learning environment for all students, including LGBTQIA/Two Spirit individuals, or persons with visible or invisible disabilities. Sexual harassment undermines the mission the College, offends the integrity of the College community, and will not be tolerated. All campus-related sexual harassment, sexual offenses, or acts of sexual violence including domestic violence, dating violence, sexual assault, sexting, online harassment, retaliation, and stalking are strictly prohibited. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, stalking, or other verbal or physical conduct of a sexual nature that results in interfering with an individual's educational performance, or creates an intimidating environment for a student.

Both state and federal law prohibit sexual harassment. Any student who engages in sexual harassment is subject to disciplinary action, up to and including suspension from RLNC. If you believe that you have been subjected to sexual harassment or have been the victim of sexual violence, you are asked to report your concerns immediately to Security, an instructor, the Dean of Students, or any other member of the College staff with whom you feel comfortable in filing such a report. To the extent permissible, all such reports will be treated confidentially and will be investigated in a prompt and responsible manner.

Sexual and Relationship Misconduct Policy

Sexual misconduct and relationship misconduct are prohibited and will not be tolerated at Red Lake Nation College. The College will take action to foster the safety and security of the entire College community. We do this by providing prevention education and support services for those who have been affected, and by holding accountable those who violate this policy. Students found responsible for any acts under this policy are subject to disciplinary sanctions up to and including suspension or dismissal from the College. The College encourages you to report any incident of sexual and relationship misconduct, including domestic violence, dating violence, sexual assault, and stalking. Trained professionals are available to assist you and anyone who has been impacted by these incidents.

If you are in immediate danger, get to a safe place and call the Red Lake Police Department - 911. It is important to preserve any evidence. Do not shower, douche, wash clothes, brush teeth, eat or drink after an assault. The police may use this evidence for a potential criminal investigation.

Reporting Options

1. Meet with a College staff member and file an anonymous incident report. In this type of report you can leave your name and/or the name of the accused off of the report to maintain privacy. You can receive personal assistance, support and resources without initiating a campus inquiry or judicial action.
2. Meet with a College staff member to file an incident report. You can file an incident report to provide information for a preliminary inquiry.
3. File a criminal report with the Red Lake Police Department. You can report directly to the Red Lake Police Department by calling 911. A report made only to the Red Lake Nation College is not the same as a report made to the local police. The College process and the criminal justice process are two separate courses of action. If you wish to file a report with the Red Lake Police Department, any RLNC staff member can assist you with this. Only you as the person who experienced sexual misconduct may file the complaint report. Notifying the Red Lake Police Department will generally result in the reporting party being contacted by a police officer. The police department determines if a criminal investigation will occur and if the case will be referred for prosecution.
4. A sexual assault or domestic violence advocate may be contacted for you at any time.

Confidentiality

Personally identifiable information about crime victims is kept in a confidential incident report and is not available to the public.

Campus Safety and Security

Class Cancellations & Notification

Classes may be cancelled due to extreme weather conditions, unsafe highway conditions, or other circumstances that would threaten the health and safety of college students and faculty. The president or designee will determine campus-wide cancellation of classes. Notification will be posted on the RLNC Facebook page and website.

Sex Offender Policy

The Campus Sex Crimes Prevention Act, which became effective on October 25, 2002, is a federal law that provides for the tracking of convicted sex offenders enrolled at or employed by institutions of higher education. This Act requires colleges to issue a statement advising the campus community where information concerning registered sex offenders may be obtained and makes the college responsible for providing the name, address, birth date, place of employment, school attended, and offense to any individual on campus requesting information concerning sex offenders attending or employed by the college.

The Minnesota Bureau of Criminal Apprehension maintains a list of all sex offenders required to register in the State of Minnesota. This database is updated daily and can be found at <https://por.state.mn.us/Home.aspx>. The Red Lake Nation also maintains a sex offender list on the Tribes and Territories Sex Offender Information System located at redlake.nsopw.gov. Both websites are also available on the Red Lake Nation College Campus Safety webpage at <http://www.rlnc.education/#!/campus-safety/c2z1>. The Red Lake Nation College Campus Security Office also maintains a list of names and information for all known sex offenders enrolled at or employed by the College. This sex offender list is available for the college community to view at the Red Lake Nation College Campus Security Office.

Additionally, federal and state laws require sex offenders to take certain steps upon enrollment in an institution of higher education, regardless of whether their enrollment is full or part time.

Pursuant to the Campus Sex Crimes Prevention Act, individuals are required to register as a sex offender in the jurisdiction where their residence is located and in the jurisdiction where the college they attend is located. In order to comply with federal and state registration requirements related to college enrollment, a sex offender must register within five (5) days of attendance at a college by reporting in person to the Campus Security Department. Students who fail to register their status as a sex offender are in violation of the registration act and face arrest and expulsion from the college.

Procedures

1. All registered sex offenders who enroll in courses at Red Lake Nation College, must indicate their status as a registered sex offender on their admissions application.
2. Upon enrollment of a registered sex offender, the Dean of Academic Affairs or designee will meet with the college's Campus Security Supervisor or designee within five (5) days to review the student's class schedule and determine appropriate restrictions.
3. After determining the appropriate restrictions for a particular student or employee, the Campus Security Supervisor will contact the registered sex offender student/employee for a meeting to discuss the restrictions which will be in place while the student/employee is on the college's campus.
4. During the meeting with the Campus Security Supervisor (or designee) and the registered sex offender student/employee, the Campus Security Supervisor will provide the student/employee a written letter containing the restrictions the student/employee must abide by while on the college's campus and will discuss each restriction verbally with the student/employee. During this meeting, the student/employee will also be advised that his/her failure to comply with the restrictions outlined in the letter may result in denial of enrollment, access to campus, and possible legal repercussions.
5. If a sex offender student is enrolled in a college class along with a student who is under the age of 18, the Dean of Academic Affairs will notify the instructor of the class of the student's status as a sex offender. The Dean of Academic Affairs will also determine if there are other college staff members who need to be notified of a student's status as a registered sex offender in order to protect persons under the age of 18 on the college's campus. In some circumstances, the registered sex offender may be required to enroll in a course section that does not contain minors.
6. The college's Campus Security Office will maintain a database of all registered sex offender students and employees. The database will contain identifier information as outlined in the Campus Sex Crimes Prevention Act. This information will be available for review by any person requesting information on registered sex offenders enrolled or employed by the college.

Academic Integrity

Honesty in academic matters is expected of all students. Actions that are contrary to the spirit of academic integrity will not be tolerated. Any attempt to misrepresent someone else's work as your own, to receive credit for assignments you did not do, obtain an unfair advantage over other students in the completion of work, or aid another student to do the above will be considered a breach of academic integrity. Acts of academic dishonesty include, but are not limited to:

- Obtaining, disseminating, or using unauthorized materials for the completion, by you or another student, an examination paper or an assignment.
- Unauthorized collaboration with another student in completing an assignment.
- Submitting as your own work that of another student or allowing your work to be submitted for credit by someone else.
- Copying from another student's paper or an assignment.
- Computer theft, such as unauthorized duplication of software and/or unauthorized access to accounts other than your own. This includes the use of the College resources (computer facilities, network, software, etc.) for financial gain.
- PLAGIARISM: The representation of another's ideas, statements, or data, as your own. This includes copying, paraphrasing, or summarizing another person's work without the proper acknowledgement (footnoting, in-text credit, quotation marks, etc.).
- Student dishonesty will not be ignored. In situations where dishonesty is suspected, the faculty member will meet with the student, state the charge and action to be taken, and will refer him or her to the academic appeals section of the College catalog. Copies of this notice will be sent to the Dean of Academic Affairs. Cheating on an exam, plagiarizing, or committing other forms of dishonesty can result in an "F" for the course or academic suspension.

Regarding the use of AI in the classroom: DO NOT use AI tools unless you have been given permission by your instructor. While AI tools can be useful for completing assignments and detecting plagiarism, it is important to use them responsibly and ethically. The following are some guidelines for what not to do when using AI in your assignments:

1. Do not rely on AI tools to complete assignments. It is important to understand the material and complete assignments on your own, using AI tools to clarify your thinking and to help find authentic research.
2. Do not use AI tools to plagiarize*. Using AI to generate or modify content to evade plagiarism detection is unethical and violates academic integrity.

3. Do not assume that AI responses are always correct. It has been noted that AI can generate fake results.

Student Identification Cards

All students are issued a Red Lake Nation College student identification card. The first identification card will be issued to the student free of charge. Duplicates are available for a \$25.00 fee.

Application for duplicates must be made in the IT department. The \$25.00 fee must be paid at the Business Office before the student is issued the new card. All cards must be validated each semester based on the student's class schedule. Note: An agreement with Bemidji State University allows library privileges at BSU to RLNC students possessing an ID card.

Attendance

All students are expected to regularly attend each class for which they are enrolled. The attendance policy for each course will be specified on the course syllabus. In the event of an emergency (illness, accident, family problem) that requires your absence from campus, you should contact each of your instructors as soon as possible. If the emergency should cause an extended absence, it may be possible to make arrangements with your instructors. If your absence has caused specific academic concerns for you, it is strongly recommended that you contact your instructor, seek assistance from your advisor, or the Dean of Academic Affairs.

Student Services

Advising

The Dean of Students initially assigns students to advisors based on their identified major. It is preferred that students be advised by faculty members who are in their respective degree programs. This match will ensure the most accurate and appropriate advising for the student. Advisors will help students create individual plans either semester-by-semester or on a long-range plan. If a student is undecided, or if the faculty advisor has too many advisees, the program or Dean of Students can intervene and help select a faculty advisor for the student. Students must submit a "Change of Major/Advisor Form" to make the change official.

Bookstore

Apparel, school supplies, consignment items, and textbooks are available for purchase from The Migizi Bookstore. The Migizi Bookstore hours may vary. See posted hours outside the Bookstore for hours of operation.

Library

The Medweganoonind Library exists to serve as the academic library for the college community and a public library for the citizens and staff of the Red Lake Nation. It is also the home for the Tribal Archives. The library houses books for both academic and recreational purposes, a small reference collection, a growing collection of media items such as audio books and DVDs, and an Ojibwe Language and Culture collection. The library also provides a quiet place for study, and access to computers and printers located in the computer lab where students may complete assignments.

Tutoring

To assist with student success in the classroom, RLNC offers free tutoring services in the areas of Math, Science, and English. Students are encouraged to make an appointment with a tutor to ensure availability of the tutor. The Learning Center is also open to students in need of tutoring and participation is required for students on Academic

Warning. Please see the course schedule for times and classroom details.

Counseling Services

Red Lake Nation College staff and faculty know that students who are physically and mentally healthy have a much better opportunity to complete their education and to become productive members of their communities and provide for their families.

The Life Vision Coach is responsible for providing a safe and confidential environment where students can seek free counseling services and referral on matters of health and safety to assist them in accomplishing their educational goals. Services offered will focus on both addressing and preventing the problems mentioned earlier, and will include:

Individual Counseling Talking Circles

Success Mentor Program Career Development

Balance is important to maintaining well-being, and we will support our students in the areas of physical, mental, emotional, and spiritual health.

Graduation Requirements

Students must complete all graduation requirements to participate in the graduation ceremony.

Disability Services

It is the policy of Red Lake Nation College to comply with the Americans with Disabilities Act of 1973 (ADA) and the ADA Accessibility Guidelines (ADAAG), Section 504 of the Rehabilitation Act of 1973 (section 504), and the Uniform Federal Accessibility Standards (UFAS) as mandated by Section 504. Under these laws and guidelines no qualified individual with a disability shall be denied access to or participation in services, programs, and activities of HINU. Information regarding the Americans with Disabilities Act can be referenced on their website at www.ada.gov.

Student Eligibility for Disability Services

Students receiving services through Disability Support Services must have a chronic disabling condition that has been verified by an appropriate professional. The student's disabling condition must limit one or more major life activity and impose an "educational limitation." An educational limitation is a disability related to functional limitation in the educational setting that occurs when the limitation prevents a student from fully benefiting from classes, activities, or services offered by the college without specific, additional support services or instruction. Examples are physical, communication, acquired brain injury, psychological, attention deficit disorder, and specific learning disabilities.

How May a Student Apply for Accommodation?

Any student with a disability, regardless of his/her accommodation needs or disability issues, should register for Disability Support Services with the Dean of Students. The Dean of Students will request documentation of a disability and prior accommodations from the student's former secondary school, treating medical doctor, or mental health professional. After reviewing the disability documentation, the Dean of Students will make a determination as to whether the student qualifies as having a disability or not. After a positive finding of a disability, the student will be extended disability accommodations and/or modifications in accordance with accepted college policies and procedures. In order for a student with a disability to apply for and receive accommodation, she/he needs to contact the Dean of Students of Student Success to set up an appointment:

What Assistance is Available for Students with Disabilities?

Accommodations and modifications will be granted on an individual basis (with input from the student with a disability) after considering the type and severity of a disability and the student's history of accommodations from secondary and postsecondary education. Below are services that may be offered to the student:

- o Contacting instructors regarding classroom accommodations for a student
- o Documentation and needs analysis
- o Student advocacy
- o Classroom note takers, readers, and scribes
- o Assistance with the provision of a private testing room and monitoring of the test
- o Provision of textbooks in alternative format
- o Locating where a student may obtain diagnostic testing
- o Other services not mentioned

Satisfactory Academic Progress Policies

Policy

In accordance with the U.S. Department of Education (CFR 668.16 (e) & 668.34), Red Lake Nation College (RLNC) has established minimum academic standards that students must adhere to in determining Satisfactory Academic Progress (SAP) for Title IV, HEA financial aid eligibility purposes. These standards which are published in the RLNC Catalog and Student Handbook apply to federal and state waivers that will be administered through the RLNC Financial Aid Office. The SAP standards for students receiving Title IV, HEA funding are the same for those students that do not receive federal aid enrolled in the same program.

This policy provides a consistent application of standards to all students within categories of students, e.g., full-time, part-time, undergraduate students and educational programs established by RLNC. The policy provides

that a student’s academic progress be evaluated at the end of each semester. RLNC will notify students of this policy and monitor the progress of all students receiving financial aid to insure their continued compliance. Students are expected to read, understand, and adhere to this policy.

In order to receive financial aid, the student must be enrolled in an eligible program of study that leads to a Certificate or an Associate’s Degree. In addition, students must adhere to two different standards; qualitative standard which is the maximum length of time for which they may receive financial aid, maintaining the minimum grade point average (GPA); and quantitative standard which is to complete the number of credits required to meet the minimum pace of progression each semester. For further clarification of this policy, contact the Financial Aid Office.

Quantitative Student Standard Maintain Pace of Progression

Successfully complete at least 67% of all credit hours attempted at RLNC in each term. The formula is as follows: Total number of credit hours successfully completed divided by total number of credit hours attempted (includes withdrawn courses) = pace of progression

Example:

Semester 1	Term Pace	Cumulative Pace
9 hours completed/12 hours attempted	= 75%	9/12 = 75%
Semester 2		
6 hours completed/12 hours attempted	= 50% ● Not meeting standard	15/24 = 62.5%
Semester 3		
12 hours completed/12 hours attempted	= 100%	27/36 = 75%

Completing a class means finishing the semester with a letter grade of D or higher, although, depending on the class, a final grade of D may require a student to retake the class. A student may repeat a class for grade forgiveness, but until the new grade is posted after a subsequent semester, for the purpose of Satisfactory Academic Progress, the financial aid office will use the existing grade. An F may be repeated as many times as necessary to receive a passing grade. A grade of D or higher may be retaken only one time.

For the purpose of determining satisfactory progress, grades “F” and “I” (incomplete) or “W” (withdrawal) and “D’s” for the semester will count toward determining the number of credits attempted. Accepted credits from previous colleges that apply to the student’s program of study will count toward pace of progression.

A student may receive financial aid for repeating a course, only after they have failed the course with an “F” and/or “D”, up to a maximum of three (3) times. College courses may be repeated only once such as to replace a “W” or “F” or to improve a grade of a “D.” Repeated courses must be identical and will be counted when calculating pace of progression.

Maximum Timeframe

For an undergraduate program measured in credit hours, the maximum timeframe cannot be longer than 150% of the published length of the educational program, as measured in credit hours. Periods of enrollment in which a student does not receive federal aid still count toward the maximum timeframe. Students who have not completed

their degree after two years of enrollment will be reviewed according to the standards outlined here. They must maintain a 2.0 GPA and be on course to graduate.

Example:

Degree Program	Required Credits	Maximum Credits
A.A. Liberal Education	62-64	96
A.A.S. Social and Behavioral Sciences	65-67	101

All accepted transfer credit hours that apply to the student’s program of study will be counted to determine financial aid eligibility. Transfer students will need to submit all previous academic transcripts to the Registrar and have them evaluated for transferability.

Incomplete Classes

Incomplete classes will result in a grade of “I,” and will be considered the same as an “F” when evaluating SAP. A student **MUST** do the work to complete the class in order for the “I” to be changed to an actual letter grade (A, B, C, D, or F) by the last day to enroll in the following term.

Qualitative Student Standard

Satisfactory academic progress is also monitored through students’ grades. This monitoring of grades is equivalent to RLNC’s policy on Academic Standing as mentioned in the RLNC Course Catalog, but also takes into account grades earned at previous institutions for new transfer students when determining SAP.

Grade Point Average (GPA)

Students must maintain a grade point average (GPA) of 2.0 or better each semester he/she receives financial aid and must also maintain a cumulative GPA of at least 2.0 or better. Grade point averages will be reviewed at the end of each semester.

Students who do not meet SAP requirements will:

- First, be placed on financial aid warning
- Second, if SAP is not met, student will be placed on Title IV, HEA suspension

At the end of each semester, the Financial Aid office will determine if you’ve met the SAP requirements by viewing the transcript of final grades in RLNC academic software which will show attempted hours, completed hours, and cumulative GPA. This will be used to determine SAP. Academic progress will be reviewed at the end of each semester to determine future Title IV, HEA eligibility. RLNC may disburse Title IV, HEA to eligible students only after it is determined that the student has met SP for the payment period. If SAP is not met, then the

following procedures come into effect.

Financial Aid Warning

Students who fail to meet minimum SAP requirements (2.0 cumulative GPA or 67% pace of progression) for academic progress at the end of a payment period will be placed on a Financial Aid Warning. A student on Financial Aid Warning may continue to receive assistance under the Title IV HEA programs for one payment period despite a determination that the student is not making Satisfactory Academic Progress. Students placed on Financial Aid Warning must meet with the Financial Aid Advisor to complete an Academic Plan.

1. If the student is not meeting Satisfactory Academic Progress at the end of the Warning period, he/she will be placed on Financial Aid Suspension and will not be eligible for Title IV, HEA funds. However, the student may appeal the loss of their Title IV eligibility.
2. If a student is making SAP at the end of the Warning period, the student shall be returned to Good Standing SAP status with no loss of Title IV, HEA eligibility.
3. Financial Aid status will be assigned by the RLNC Financial Aid Advisor.
4. Reestablishing eligibility: if a student appeal is denied the student can reestablish eligibility by completing 6 credit hours with a 2.0 GPA at their own expense.

Title IV, HEA Financial Aid Suspension

This is the status assigned to students who were previously on Financial Aid Warning and have failed to meet the academic progress requirements at the end of the Warning semester. Students are not eligible to receive Title IV, HEA funding, but may continue to enroll in classes if they are in good academic standing.

Financial Aid Appeal Process

A student who loses their Title IV, HEA eligibility due to his/her inability to make SAP after a Warning period and thus placed on Financial Aid Suspension, with a loss of Title IV, HEA eligibility will have the right to appeal.

1. A student who wishes to appeal Financial Aid Suspension and loss of Title IV, HEA eligibility, must submit an Academic/Financial Aid Appeal Form to the Financial Aid Office within 14 business days after being notified that they are in a non-satisfactory progress status.
2. The student must describe and indicate what extenuating circumstances have kept them from meeting Satisfactory Academic Progress. Examples include hospitalization or extended illness, divorce, death of an immediate family member, returning to school after an extended period or other special circumstance. The student should attach documentation to support any claims made of extenuating circumstance. The student must also explain what changes have occurred or plan to implement that will enable them to meet Satisfactory Academic Progress requirements.
3. Once the appeal is received, the PASS committee will evaluate the appeal and provide a decision within ten (10) business days after the committee has met and evaluated the student's appeal. The Financial Aid Office will notify the student in writing and through their school portal of the decision. All decisions are final. If the appeal is approved, the student will be immediately placed in probation status and must complete an Academic Plan. If the appeal is denied, the student must sit out for one academic term before submitting another appeal.

Lifetime eligibility used (LEU)

Please note that as of 7/1/2012, the Department of Education has imposed a 12 semester limit, measured by a percentage of Scheduled Awards disbursed (600%), for receiving PELL funds. This is un-appealable and is a federal directive applicable to all past and present PELL recipients.

Withdrawals

To officially withdraw from RLNC, a student initiates the withdrawal process by:

1. Obtaining a Withdrawal Form from the Student Success office or RLNC website.
2. Student completes the form with identifying information.
3. Student returns the form to a Student Success Counselor.
4. The Registrar ensures all signatures are acquired on the Withdrawal Form.
5. Student is officially withdrawn as determined by student signature and effective date.

If students do not complete the Withdrawal Form and vacates/abandons the school, this is considered an unofficial withdrawal. The last day of attendance is determined by the last academically related activity and will be used as the withdrawal date.

Enrolled students who choose to withdraw from enrollment in the college should follow proper withdrawal procedure. This procedure will expedite the processing of any qualified refunds. Withdrawal will also affect the student's ability to receive future student aid.

Students who desire to withdraw from the college must complete a form available in the Student Success. If this form is not completed at the time of withdrawal, the student will not be eligible for refunds or transcripts and will receive an "F" in each class instead of the "W" they might otherwise have received.

Students wishing to withdraw will complete a "Withdrawal Petition" form. This form is available from the RLNC website and Student Success who will receive the completed form and pass it off to the Registrar once all signatures are completed. This serves as the official notice to the school that the student has withdrawn from their program and identifies the date of official withdrawal for refund purposes. The Registrar's office will notify the following offices by email that the student has withdrawn: the Financial Aid Office, the Academic Affairs office, the BURSAR's office, and the faculty. The form directs the withdrawing student to also consult with the Financial Aid Advisor for exit counseling. Because students sometimes leave college without notifying anyone, the following additional guidelines are provided. The withdrawal date is considered to be the earliest of (1) the last day of class attendance, (2) the last day of documented academically related activity, or (3) the date the student submits the "Withdrawal Petition" form.

Enrollment status will be determined on the add/drop date and no Pell recalculation will be made after that date. Disbursement will be made for enrollment prior to drop.

A refund fee schedule is included in the RLNC Catalog, Student Handbook, and posted on line at www.rlnc.education

Refund Policy

If you withdraw from the college, refunds will be granted as follows:

Week of Withdrawal	Tuition, Room & Board Credited
First Week	Full refund
Add/Drop Date	100% refund
After Add/Drop Date	0% refund

After the add/drop date: No credit Fees: All fees are non-refundable

Involuntary Withdrawal (Dismissal)

In the event that a student is expelled, RLNC will process a R2T4.

Unofficial Withdrawal

Students who leave school without completing a withdrawal form, including obtaining the required clearance signatures listed on the form, will be considered to have “improperly withdrawn.” In those cases, no refund is granted to the student. If the semester balance is not paid in full, the student will be billed for the remaining balance.

Information on RLNC’s refund policy may be found in the most recent edition of the Red Lake Nation College Catalog at <https://rlnc.education/academics/catalog>.

Title IV R2T4

This policy applies to students who withdraw (officially or unofficially) or are dismissed from enrollment at the Red Lake Nation College, RLNC. The Return of Title IV Funds (R2T4) process is separate and distinct from the RLNC’s Refund Policy, as indicated below. The calculated amount of the "Return of Title IV Funds" that is required for students affected by this policy are determined according to the following definitions and procedures, as prescribed by regulation. Upon the student’s withdrawal, the amount of financial aid that has been “earned” by the student is based on the number of days of attendance. Students who withdraw unofficially will also be subject to the Federal Return of Title IV Funds Policy (R2T4). According to federal guidelines of R2T4, students who receive financial aid and then withdraw from all course work before 60% completion of the trimester may have to pay back a portion of the grants received. The amount is determined by using a federal formula. The R2T4 is completed within 45 days of notification. All funds will be returned in the order of PELL, and FSEOG. The student withdrawal date is determined by the withdrawal process.

Return of Funds:

In accordance with federal regulations, when Title IV financial aid is involved, the calculated amount of the R2T4 Funds is allocated in the following order:

- Federal Pell Grants
- Iraq Afghanistan Service Grant for which a return is required
- Federal Supplemental Educational Opportunity Grants (FSEOG) for which a return of funds is required
- Other non-Title IV assistance
- Private and Institutional aid
- The Student

RLNC has 45 days from the date the institution determines that the student withdrew to return all unearned funds for which it is responsible and is required to notify the student if they owe a repayment via written notice. The school must advise the student or parent if they have 14 calendar days from the date the school sent the notification to accept a post-withdrawal disbursement. If a response is not received from the student or parent within the permitted time frame or the student declines the funds, the school will return any earned funds that the school is holding to the appropriate Title IV, HEA programs. Post-withdrawal disbursement must occur within 180 days of the date the student withdrew.

The Return of Title IV Funds (R2T4) regulation does not dictate the institutional refund policy. The calculation of Title IV HEA funds earned by the student has no relationship to the student’s incurred institutional charges. A school is required to determine the earned and unearned Title IV aid a student has earned as of the date the student ceased attendance based on the amount of time the student spent in attendance.

Student Loans

Federal Direct Loans are NOT available at RLNC.

Cost of Attendance (COA)

Cost-of-attendance budgets are created by the Advisor, in consultation with the Dean of Students. While budgets are revisited each year, changes typically coincide with Catalog revisions.

Cost of Attendance	Red Lake Nation College
--------------------	-------------------------

Published tuition and required fees	\$ 5,562.00
Books and supplies	\$ 600.00
Off-campus (not with family) room and board	\$ 6,885.00
Off-campus (not with family) other expenses	\$ 6,201.00
Off-campus (with family) other expenses	\$ 5,886.00
Total Cost	
Off-campus (not with family)	\$ 19,248.00
Off-campus (with family)	\$ 12,048.00

Budget Populations

Different budgets are created for the following categories of students: dependent off-campus; independent off-campus.

Also, students enrolled less than half time must have their COA budgets calculated separately. “For students who are enrolled less than half time only the costs for tuition and fees and allowances for books and supplies, transportation, room and board for a limited duration, and dependent care expenses may be included as part of the cost of attendance. (Miscellaneous expenses and personal expenses may not be included.)” (FSA Handbook 2016-2017, 3-36) Schools have the option in the COA for a less-than-half- time student an allowance for room and board up to three semesters (or equivalent), with no more than two of the semesters being consecutive at any one school.” (FSA Handbook 2016-2017 3-35) This COA calculation, with documentation, should be included in the student’s file.

Categorization and Determination of Amounts

Cost of attendance Calculations information is available online @ <https://www.rlnc.edu/tuition-costs>

Award Disbursements

Disbursement is addressed separately for federal, state and institutional aid. Student notification, required for federal aid, is addressed separately as well.

For all aid categories, aid listed on the award letter will be disbursed. However, a student may decline any award or any portion of an award with written notification to the Financial Aid Advisor.

Before the disbursement of any student aid, the Financial Aid Advisor must verify in the college management software that the student’s enrollment is completed and current and the student is within acceptable standards of academic progress as previously defined in the handbook. Refunds will be made as soon as they are available after the add/drop date, and every other week following the initial disbursement. All tuition, fees, and school costs for the current semester will be paid first and the remaining amounts will be disbursed to students.

If Financial Aid or payment arrangements are not made by the last day to add/drop, then students will be administratively withdrawn.

Disbursement of Books and Supplies

Pell Grant Eligible students and all other aid recipients are eligible to “charge” their books against their anticipated financial aid as long as they have a valid (non-rejected) ISIR on file, are not in loan default, are not on financial aid suspension, or ineligible due to a drug offense while receiving Title IV aid. Any charges not covered by financial aid are the responsibility of the student.

Book charging is allowed one week before each semester starts and ends on the 7th business day of the semester. A report is given to the Bookstore manager prior to the start of the book charging period by the Financial Aid Advisor. It is this report that determines which students can and cannot charge books.

Financial Aid Office staff reserve the right to authorize book charging due to extenuating circumstances or college error, if warranted. If students choose to OPT OUT of the way RLNC allows for book charging, then students must wait for a refund check to be released to them before they can purchase books on their own or may pay out of pocket for their books at any time.

Federal Aid

In order to ensure checks and balances when awarding federal aid, the functions of authorizing and disbursing aid are performed by separate offices (FSA Handbook 2016-2017, 2-36. 2-37).

The Financial Aid Office will perform all functions related to authorization. The Business Office will draw down title IV funds within the G5 system to the RLNC Federal Account. Upon validation by the Financial Aid Advisor, the funds will be transferred and credited to the student account.

G5 Tutorial <https://www.g5.gov/int/exthelp2/toc0.html>

Pell

Federal Pell Grants are disbursed as soon as the funds are available after the add/drop date and everything is approved by the financial aid office.

After all eligibility requirements are met by the applicant and validated by the Financial Aid Advisor, the Chief Financial Officer is notified that money can be drawn down in the G5 system to the RLNC Federal Account and credited to the student’s account. A portion of the approved Pell Grant may be released for books and supplies prior to the last day to register, at which time the remainder of the Pell Grant may be released to the student. FSA Handbook 2016-17, 3-25 34 CFR 668.164 (i) If books and supplies are needed prior to the release of the Pell Grant funds, arrangements will be made to provide the student with the necessary books and supplies. The 3rd party servicer will update COD.

In figuring Pell round up for the first half and down for the second period. FSA Handbook 2016-17, 3-44 Direct Loans

www.StudentLoans.gov

RLNC does not participate in direct loans.

Institutional Financial Aid Disbursement

All institutional scholarships originate through student application to the RLNC BURSAR Office. The Scholarship Committee will meet and forward their decisions to the BURSAR Office and the Financial Aid Office.

Institutional aid (as listed in the current RLNC catalog) is disbursed after the add/drop date. If no funds are changing hands, the disbursement is completed by the Financial Aid Office transmitting to the BURSAR office a notice of the award to credit the student account.

All institutional aid award information will be forwarded from the BURSAR Office to the Financial Aid Advisor who will use these awards in computing aid packages.

Student Notification

Federal guidelines (2016-2017 FSA Handbook, 4-21) require that students be notified “of the amount of funds the student and his or her parent can expect to receive from each FSA program...and how and when those funds will be disbursed. This communication is normally done by providing the student, via email, an official Award Notice which outlines the amount of awards and projected payment dates.”

The simplest way to fulfill this requirement is to have all students ready to receive Pell Grants at the same time (i.e., all verification completed and all award letters are current). Then, when the drawdown is scheduled in G5, a memo should be sent to all recipients stating that the Pell amount indicated on the student’s award letter will be disbursed to RLNC on the established date and credited to the student’s account within 3 business days. The 3rd party servicer will populate COD.

If not all students are ready to receive funds, the approved population can still receive funds, with the same procedure being followed. As other students become eligible, they may be notified individually.

All documents relating to financial aid shall be kept in the student file.

Refunds

A refund occurs when a student account reflects funds received greater than the amount of tuition, books and fees due for the semester. When a refund occurs the institution will refund that amount to the student within 14 days of the refund occurring by check.

Student Eligibility

While some aspects of student eligibility are determined either by Congressional act or by the Department of Education, other aspects involve institutional determinations.

Academic Issues

To receive aid, a student must have (1) received a high school diploma (this can be from a foreign school if it is equivalent to a U.S. high school diploma), (2) received the recognized equivalent of a high school diploma, such as a general educational development or GED certificate; or (3) completed home school at the secondary level as defined by state law and in an eligible program. Because a student self-certifies on the FAFSA that they have or have not met conditions (1), (2) or (3), the Office would not have to receive a copy. More information on these subjects may be found in the most recent FSA Handbook, Volume 1; School-Determined Requirements.

Students must maintain satisfactory academic progress (SAP) in order to continue to receive aid. RLNC’s SAP policy is discussed above.

Students also have enrollment requirements. For financial-aid purposes at RLNC, full-time enrollment is defined as 12 or more credit hours per semester, 11-9 credits as $\frac{3}{4}$ time, 8-6 credits as $\frac{1}{2}$ time and 5 and fewer as less than $\frac{1}{2}$ time.

Citizenship

If CPS does not verify a student’s citizenship, the student must supply the Financial Aid Office with documentation of their eligibility before receiving funds.

A citizen must supply the Financial Aid Office with documentation of citizenship. The Department does not stipulate what documentation is required, but a list of possible items may be found in the 2016-17 FSA Handbook, 1-22, 1-23. Remember, a Social Security card or driver’s license is not acceptable documentation of citizenship. Citizens not confirmed by CPS should contact the Social Security Administration to correct the problem. Eligible noncitizens must provide an Alien Registration Number (A-Number), which CPS checks with the Department of Homeland Security (DHS). A successful match enables the student to receive aid. If the Office has information that conflicts with the student’s eligibility, then this conflict must be resolved. See 2016-17 FSA Handbook, 1-24, 1-25. If there is “not enough information,” the student will be directed (via SAR/ISIR) to provide

the Financial Aid Office with documentation of status. Such documentation should be checked against the SAR/ISIR. Eligible noncitizens should then submit a FAFSA correction providing the correct A-Number. If a student's status is not confirmed, secondary confirmation with DHS occurs. If this process is not completed automatically, the Financial Aid Office must complete the process using the paper method; for more information, see most recent FSA Handbook, Volume 1; Citizenship. For some types of students, documentation must be completed anew each year a match fails; see most recent FSA Handbook, Volume 1; Citizenship. Citizens of the Freely Associated States (Palau, the Marshall Islands, the Federated States of Micronesia) are eligible for Pell but not for loans. They do not use an A-Number, and they may not have a SSN. In this case, as long as all information relating to the student's citizenship is consistent, there is no documentation-collection requirement.

Defaults

CPS checks students to see if they are in default on a student loan, reporting the result in the ISIR. If a student is found to be in default, the student cannot receive aid until the default has been resolved. See [668.35\(b\)](#) to identify steps to resolve loan defaults and restore eligibility.

Students reportedly in default should be notified by letter (copy to file). Students are responsible to contact their loan servicers in order to resolve the default status. If a student has resolved the default status, the student must provide documentation proving this, which should be copied to the student's file. Also, the student should be advised to ask the loan servicer to update their status with NSLDS. (NSLDS will generate a new ISIR when a student's status changes substantially. But this may lag, so a student who has become eligible by making proper arrangements and/or payments with the lender may prove eligibility with documentation.)

A male student reported as "registration not confirmed" must either register or provide documentation of registration. For information on resolving this issue: (2016-17 FSA Handbook, 1-71)

Social Security Number Match

If a student's reported Social Security number (SSN) does not match with the Social Security Administration, the FAFSA will be rejected. Generally the student will have provided an incorrect SSN and simply needs to create a FAFSA correction with the valid SSN. This should then clear the problem. (see the 2016-17 FSA Handbook, 1-1-69)

If a student's name or date of birth does not match with SSA, the FAFSA will not be rejected, but a message will be printed on the ISIR/SAR. While the student may receive aid if they supply sufficient documentation to explain the mismatch (See FSA Handbook 2016-17, 1-69), it is recommended that the student either contact SSA to update their database or submit FAFSA corrections, as fixing the problem can prevent future difficulties. Financial aid office must resolve any C codes and conflicting information.

Aid Programs

RLNC participates in the following aid programs.

- Federal: Pell Grants, FWS, FSEOG.
- State: State of Minnesota.
- Institutional: Tuition-discount (unfunded) aid programs exist; these are detailed in the RLNC

College Catalog.

- Other: Outside scholarships and grants are accepted; the Financial Aid Advisor completes any necessary institutional paperwork to enable students to receive such aid.

Student Scholarship Fund

Undesignated contributions from the student scholarship fund, redirected to students as scholarships, are aid that must be reported on the students' award letters. This aid, combined with all other financial awards, should not exceed a student's total need. President's Office, Office of Financial Aid, and the Bursar Office work together to determine SSF award recipient(s).

Professional Judgment

Students who desire a professional review of their submitted FAFSA information must present a Professional Judgment Request Form, Verification Worksheet, and all corresponding documentation to the Financial Aid Office. The Financial Aid Advisor will review this information, using Federal Student Aid Handbook guidelines, and document any decisions and/or adjustments to the student's file.

The Financial Aid Advisor will endeavor to review and respond to all professional judgment requests within three weeks of receiving the forms and all supporting documentation. Incomplete requests will not be considered.

Outside Scholarships

Scholarships from "outside organizations" are awarded directly to students, not to RLNC, although the award may in some cases be sent directly to the institution. RLNC considers it the recipient's responsibility to accept/refuse award according to their own conscience. Thus, RLNC will not refuse to process scholarships awarded directly to a student, whether or not the awarding organization aligns with RLNC's vision and standards. The Financial Aid Office and Business Office must be informed of all internal and external scholarships awarded to students.

FSEOG & FWS

Selection of students for FSEOG awards

In selecting among eligible students for FSEOG awards in each award year, RLNC shall select those students with the lowest student aid index who will also receive Federal Pell Grants in that year. If RLNC has FSEOG funds remaining after giving FSEOG awards to all the Federal Pell Grant recipients at RLNC, the Red Lake Nation College shall award the remaining FSEOG funds to those eligible students with the lowest expected family contributions who will not receive Federal Pell Grants.

Part-time and independent students. If RLNC's allocation of FSEOG funds is directly or indirectly based in part on the financial need demonstrated by students attending RLNC as less- than-full-time or independent students, a reasonable portion of the allocation must be offered to those students.

FWS

In administering its FWS program, RLNC shall establish and maintain an internal control system of checks and balances that ensures that no office can both authorize payments and disburse funds to students.

Federal Work-Study is a Campus-Based Aid Programs. This program provides college and community service jobs to Red Lake Nation College students who qualify. Work-Study awards are based on the results of your Free Application for Federal Student Aid (FAFSA). Only students who have been awarded Federal Work-Study may select a Work-Study position.

Red Lake Nation College will select FWS based on an application and interview process. Work Study positions will be posted in student services when they become available. Students interested in posted positions will need to complete an application by the posted deadline. All students who complete an application before the deadline will receive an interview for their selected position.

RLNC will maintain program and fiscal records that include verification by the student's supervisor, or an official of RLNC, that each student has worked and earned the amount being paid. The verification must include or be

supported by, for students paid on an hourly basis, a time record showing the hours each student worked in clock time sequence, or the total hours worked per day. Also included a payroll report containing sufficient information to support all payroll disbursements, and any noncash contribution record to document any payment of RLNC's share of the student's earnings in the form of services and equipment.

All records will be reconciled at least monthly.

Each year RLNC shall submit a Fiscal Operations Report plus other information required. RLNC shall insure that the information reported is accurate and shall submit it on the form and at the time required.

Financial Aid Grievance Procedure

It is the policy of RLNC that all financial aid applicants have at their disposal during the period when they are students, specific and equitable procedures which afford due process for resolving grievances. A grievance is an alleged unfair, inequitable, or discriminatory application or implementation of college policy or procedure. A grievance can result from issues that require institutional attention for which there is no policy or procedure. The purpose of the informal procedure is to require the parties involved in a grievance to attempt to resolve the problem themselves through the following steps:

1. The student should attempt to discuss the complaint with the person(s) who appears to be the source of the grievance.
2. If the problem is not resolved at the first step, the student may take the complaint to the respondent's supervisor.
3. If the problem is not resolved to the satisfaction of the student through the informal process, the student may enter the formal grievance procedure.
 - a. The grievant shall submit to the RLNC Financial Aid Ad Hoc Committee a written grievance containing a concise description of the grievance and the requested remedy to the grievance.
 - b. A hearing shall be held within ten working days after the grievance has been submitted to the Financial Aid Office.
 - c. A recommendation shall be made to the College President within ten working days of the hearing. The President may:
 1. Institute the recommended action of the Financial Aid Ad Hoc Committee;
 2. Refer the matter back to the Financial Aid Ad Hoc Committee for additional consideration and review; or
 3. Reject the recommendation of the Financial Aid Ad Hoc Committee and resolve the grievance.

The grievant shall be informed in writing of any and all actions taken.

Arrests/Convictions

State law (Minnesota Statutes 135A.157) requires all postsecondary educational institutions located in Minnesota to provide notice to all students at or before the time of admission and at or before the time a major is selected, informing them that arrests, charges or convictions for criminal offenses may limit employment possibilities in specific careers or affect a student's eligibility for federal, state, or other financial aid.

The purpose of this notice is not to discourage students with previous violations from pursuing postsecondary education or applying for financial aid but to encourage students to investigate any possible negative effects on financial aid eligibility and employment before they begin a particular field of study. We encourage all students to apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov. With respect to future employment possibilities in your field of study, we encourage you to visit the following website for state laws, regarding the effects of previous violations on future employment in Minnesota: <https://www.revisor.leg.state.mn.us/statutes/?id=609B>. Since there may be other fields affected by previous

violations that are not included on this page or, since you may end up working in another state, it is your responsibility to research the impact of previous violations on your chosen field of study.

- Students have the right to speech and assembly as individual students and student organizations. Students are free to examine and discuss questions of interest to them and express opinions publicly and privately.
- Students have the right to participate in the development of college policy affecting student life and services through clearly defined means, including clubs and organizations.

All students are expected to abide by the RLNC Code of Conduct and the Academic Integrity Policy. Students also have the following responsibilities:

- Students are responsible for self-advocating by seeking help from College faculty, staff, and administration and are encouraged to use the provided resources.
- Students are responsible for familiarizing themselves with the information in the Red Lake Nation College Catalog and the Student Handbook. Failure to read these handbooks will not excuse students from the responsibility of abiding by the rules, policies, and procedures contained within them.
- Students are responsible for being familiar with their degree requirements and course schedule. Students are responsible for being aware of the requirements, the courses which they have enrolled, for meeting with an advisor to discuss their progress on a regular basis, and for asking questions about information that is not clear.
- Students are responsible for adhering to high standards of academic integrity by engaging in behaviors which include, but are not limited to, properly giving credit for any words or ideas used in academic work, seeking help for writing accurate citations if needed, and using ethical decision making practices while researching.

Red Lake Nation College believes that off-campus activities by its students using College resources are an important part of the students' overall learning experience. 4. I assume full financial responsibility for all costs and expenses incurred in connection with the activity, including without limitation, financial responsibility for damage or destruction to property of third parties.

5. I understand that the Red Lake Nation College and its officers, employees and/or agents have, in their sole discretion, the right to terminate my participation in the activity because of conduct believed to be contrary to the interest of the College.
6. I agree to immediately disclose to the College any physical or emotional conditions or problems that might impair my ability to complete the activity, and that I hereby release the College and its trustees, officers, employees, agents and representatives from any and all claims, demands, injuries, damages, losses, actions, causes of action, or expenses whatsoever arising out of my failure to disclose such conditions or problems.
7. I understand that Red Lake Nation College assumes no responsibility to determine the appropriateness of the activity for any particular students, to supervise the activity, or take precautions for the safety of participants and that, as a result, the College shall not be liable for, and I hereby release the College and its trustees, officers, employees, agents and representatives from any and all claims, demands, injuries, damages, losses, actions, causes of action, or expenses whatsoever arising out of or connected with the activity and with the use of any and all services or facilities associated with the activity.

In signing this release, I acknowledge and represent that I have fully informed myself of the contents of the TRAVEL WAIVER AND HOLD HARMLESS AGREEMENT by reading it before signing it, that I understand it and that I sign this document voluntarily as my own free act and deed; no oral representations, statements or inducements, apart from the written agreement have been made.
